Dear Mr. Butler:

RE: Western Camp Services Ltd Performance

On behalf of Nexen Canada, I would like to take the time to say thank you for all the hard work that Western Camp Services Ltd has done and continues to do to make our stay at your camps comfortable and pleasant.

Western Camp Services has exceeded our expectations in all areas and this letter is to acknowledge that accomplishment. We put great pressure on our employees and contractors due to time constraints that we face. Your hospitality, state of the art accommodations and "hotel quality food" make our lives just that much easier in accomplishing our goals.

In the short time that I have been dealing with the office and field staff at Western Camp Services, their professionalism to achieve our common goals, goes a long way in making our decision for our future camp provider that much easier.

Your dedication and genuine concern for our staff sets Western Camp Services apart from its competitors and I am sure that this will continue as we move forward together in our future endeavours.

Sincerely
