

To Whom It May Concern

Please accept this letter as official recommendation for Western Camp Services.

Late in the spring of 2005 was my first contact with Western Camp Services, and I have not regretted it for a minute. They have continually provided me with excellent facilities and staff. They have, in fact, set a very high standard in my Construction Groups expectations, which will be very difficult to beat.

Western Camp Services has made weekly calls to my Construction Supervisors, checking up on their wants, needs, questions or concerns. This weekly communications, along with excellent response to expansion or de-commissioning of their camps, has places Western Camp Services at the top of my list for camp and/or catering services.

I will continue to use Western Camp Services for as long as possible and will gladly recommend them to anyone requiring camp and/or catering services.

Sincerely
