

Western Camp Services makes its second trip to the Bissell Centre with Food Donations!!

Western Camp Services made a second trip this Spring to the Bissell Centre to donate additional food supplies. The Bissell Centre really appreciated the donation but were thrilled to have “real cheese”!! The Bissell Centre shared the donation with the Women's Emergency Accommodation Centre (WEAC) and the Kindred House reaching hundreds of hungry Edmontonians.

A big thank you goes out to all who participated and lent a hand!!
